Jon is on vacation this week so I'm not sure what his schedule is next week for a call. My initial review of the draft suggests that we've made enormous progress and only have a handful of remaining issues to resolve. We will let you know on Monday when we'll be available for a conference call. Thanks again for all your efforts on this settlement.

Robby and Jon,

Please find attached a new redline draft of the consent decree. We would be happy to discuss the changes in a conference call, we will next be available for such a call starting Tuesday, August 23rd.

As always, this consent decree is a draft and is subject to review and approval of DOJ, EPA, NOAA, and DOI management, as well as New Jersey.

Please contact me with any questions.

Best regards,
Rachel
